

Portal Password Steps/Retrieval:

1. Go to the Producer's Portal (producers.discovery.com)
2. Click on "Forgot You Password?"
3. Enter your email address, click "Reset"
4. An email will be sent to you containing a link to set your password. Click the link.
5. Follow the onscreen instructions
6. Login to the Portal

Or:

You are already in our system with your production company.

In **Google Chrome** point your browser to - <https://producers.discovery.com> and enter your email address and password. If you have forgotten your login information, simply click on the "*Forgot your password?*" link and follow the prompts. You should then receive an automated email from the system to re-establish your login information for access to the Portal.
